Dear Fred

South Metropolitan TAFE Murdoch Stage 4 Development – fitout work

I am writing to you to express my gratitude for the work that Fergusons has completed on the fitout and cabinetmaking at the new TAFE building at South Metropolitan TAFE, Murdoch. I think the quality of your work is outstanding and is the best that I have seen in all of the projects I have worked on over the past 25 years.

I have been particularly impressed with the great team of managers and tradesmen who I have had the pleasure to work with on site and in the workshop. They are very skilled, cooperative, and more often than not had good solutions ready to resolve the inevitable problems that arise on site. I felt very comfortable leaving it up to the guys on site to do the right thing rather than feeling the need to have to buy into every decision that needed to be resolved.

It is very clear to me that Fergusons take great pride in the work and service that you provide and I hope that we can work together on projects in the future.

Yours sincerely
